Super Summer Fun!

**ABOUT
NEW HORIZON'S
SUPER SUMMER PROGRAM.....**

Sponsored by New Horizon School-Los Angeles, this summer program will fill your child's days with fun activities, social interaction and a little bit of learning, all under the watchful eyes of our trained, professional & specialized staff. Each day will bring exciting new experiences and new friendships we are sure will be remembered long after the summer is over.

Summer Program is offered to students of Preschool to 5th grade to enjoy a wide variety of activities. Whether they are cooking up healthy snacks or going on field trips, students are making the most of their summer time in an atmosphere of caring, learning and fun.

Enjoy the Summer Fun!

Arts & Crafts

We will bring out the creative side of each student with arts and crafts activities. Try your hands at sewing, drawing and painting.

Cooking

Use recipes and your imagination to create delicious treats.

Computer

Students will spend time working on the computer and improving their skills by creating fun projects using various software.

Prayer & Reflection

Each day includes a special time for quiet reflection and prayer followed by a story or message for the day.

Water Fun

Certain days will be designated for water play. Its ok to get wet!

Sports & Games

It wouldn't be a summer without days full of running, jumping and playing ball. We will learn teamwork and coordination in a fun filled environment.
