## Detention

As many of you know, last Friday marked our first detention. New Horizon School - Los Angeles includes, in its discipline policy, detention as a consequence to uniform violations, tardiness, misbehavior, and incomplete homework. Please refer to the Elementary Parent Handbook for details on what warrants detention as a consequence and the other consequences given.

Detention, for the most part, is run by the Student Council. The president, vice president, and the secretary assign violations for uniform infractions and collect the names of students assigned to detention by other teachers. Any grievances should be taken up with the office and no other entity or being. The individual teachers whose class the student belongs to, will assign detention work as necessary. Detention is not a time for the students to do homework or play, but is indeed, a consequence and a time to reflect upon their actions. We ask that you support the school and its policies and comply with all school rules. Please help your child be successful in every facet of their school life.

## Family Night - "Who Wants to Be A Champion?"

Hear ye! Hear ye! The first Family Night has been postponed to Friday, November 2<sup>nd</sup>, to give the students time to prepare. This year's Family Night will begin at 6pm with the sale of dinner and snack items, followed by the "Who Wants to Be A Champion?" game show. This game show will be held game show style with rounds, prizes, and a healthy dose of good - old fashioned competition.

The game show is divided into rounds per class level and is open to participation for all students from that grade level. Parents, wait there's more! Now, you can participate to! Just for you, there will be a specific round for parents and alumni, complete with prizes and the "hot seat." So now, you all can be champions as well. And how much you ask, for this evening of fun and exhilaration? Let me tell you, all of this for the unbelievably low admissions price of \$1.00 per person! \$1.00, we're practically giving the tickets away, so for this price you can afford to bring the whole family for this first Family Night of the school year.
