## Cookie & Wrapping Paper Sale

The Cookie & Wrapping Paper Sale is in full swing. Each student is required to sell at least 5 items from the catalogs. Please make sure that you fill out the paperwork correctly. The seller to sell the most will earn their house 25 points! And remember that all profits will go towards the playground renovation project.

## Scrip

One way of fulfilling parent service hours is by ordering scrip. Scrip is a wonderful and easy way to raise funds for the school. Scrip works the same way gift cards do. For every unit of scrip you buy, the school gets a certain percent of that value. For every \$200 dollars worth of scrip you buy, 3 parent service hours will be credited to your requirement. A complete list of retailers is located in the office for your viewing.

Scrip orders must be placed by Thursday at 1pm and will be sent home with your child on the Thursday of the following week. With a little planning, this is the easiest way to raise funds for the school and fulfilling your service hour requirement. Orders are now being taken. Please see Miss Khadijah if you have any questions.

## Back-to-School Night

Last Friday night's Back-to-School Night was quite successful. Many parents attended and had the opportunity to visit their children's classrooms and meet their children's teachers. The teachers explained their classroom procedures and policies, while parents got to ask questions that they may have had. Mrs. Alikhan introduced the faculty, the PTO officers, and told the parents the team's qualifications. Mr. Ricky presented the P.E. program and Mrs. Anis presented the BIAE. Overall, it was a lovely evening of introduction and conversation.
