### **Children's Presentation at the Benefit Dinner**

As many of you may know by now, our students have been working hard preparing themselves for their presentation at the Fall Benefit Dinner. It is imperative that they buy their tickets by Wednesday, November 12, 2008 so that we may order the right amount of food. Tickets for students are available in the office for \$10 for students in childcare or \$20 for students in the adult area. Please buy your tickets as soon as possible, so that we may ensure the right amount of food is ordered.

### **Fire Safety Presentation**

Last week, we had an amazing fire safety presentation. Our local fire fighter came to the school and showed us how they put on their fire safety uniform. They explained what happens when you call 911 for an emergency, how quickly they arrive on scene, what is required of a fire fighter, their education, their training, & what they do on a daily basis. They demonstrated how they use their water hose to put out fires & we got to see all the different parts of a fire engine. The students learned a lot & were thoroughly impressed by what they saw & heard.
