Science Fair

Every year New Horizon School - Los Angeles gives its students the opportunity to explore the world around them and take a shot at being actual scientists. This year is no different. Students from 2nd to 5th grade will prepare individual science projects. Students in Kdg. & 1st grade will work together and prepare projects in class with their teacher. This year all science fair research, writing, and experimentation will be done in class, equalizing everyone's chances of winning. The presentation board will be prepared at home. All projects will be due completely assembled, on the morning of February 16th. **NO LATE Projects will be accepted.**

Students will be given timelines which they will be expected to follow. Students will be required to do most of their work during Science & Computer periods. Please follow all the guidelines to ensure project success. Please note the date of submission.

Panoramic Picture Day

The annual school Panoramic Picture Day will be held next Wednesday, January 14th, 2009 at 9:00 am. This is a full dress day. All students will be expected to come to school dressed in the full dress uniform, complete with tie, shoes, and socks. Please make sure these items are all available for your child to wear.

Service Hours

We hope you looked at the invoice and the hours you were required to serve, the number of hours you actually served, and the outstanding balance. Options for either fulfilment or payment were also explained.

We need parent volunteers to help in 1st grade twice a week, Pre-School and Pre-Kindergarten every day. Please inform the office of your available times so that a schedule could be prepared.

If you haven't paid the required PTO Membership fee, which was noted on your invoice, please pay your balances now with the January tuition.

Family Night "Quran Competition"

Every trimester the school holds a Family Night. This evening is designed for parents and students to interact socially with other parents and students in healthy competitions. Last trimester, the Family Night program was "Who Wants to Be A Champion?" which was very successful and enjoyable. This trimester, the Family Night program will be a "Quran Competition." Students have spent much time preparing for this competition.

The "Quran Competition" will be held on Friday, January 16th, 2009 beginning with a dinner sale during the dinner hour from 5:00 - 6:00 pm. The competition will begin at exactly 6:00 pm.

Please plan on being there and supporting your students, as they compete in the ultimate Quran Competition. Tickets are \$1.00 per person and are available in the office now. Hope to see everyone there!

Happy New Year!!!

The New Horizon School - Los Angeles' administration, faculty, staff, and students wish everyone a very blessed happy New Year! May 2009 bring us everything our hearts desire!
