Policy Reminder

We want to commend the parents who are complying with the Islamic Center's Security requirements. However, there are still some parents who are not complying. We want to remind everyone one final time of the Islamic Center's Security requirements. As stated earlier this year, parents are no longer permitted to go upstairs irrespective of what the need. If you need to speak with your child's teacher, they are available during their office hours or by appointment only. Please do not attempt to talk to them while they are on duty in the classroom or on the playground. Due to requirements, parents are not allowed to sit in any class when they come to pick up their child as per the Social Services mandates. All parents are requested to comply with this policy.
