Spotlight on Excellence Assembly

The annual Spotlight on Excellence Assembly is on Wednesday, June 10th, 2009. During this assembly each student is especially recognized for their hard work throughout the school year. Students are recognized for academics, attendance, and character. We take time to recognize the parents who have volunteered more than their required 30 or 35 service hours. These parents should be applauded for their hard work and dedication to their students' excellence. Everyone is invited to celebrate each students' success. Please join us from 8:00 to 10:00 am as we check-out the Spotlight on Excellence.

Staff Appreciation Social

Last Friday, was our annual Staff Appreciation Social hosted by the PTO. The Staff Appreciation Dinner used to close out our annual Staff Appreciation Week, but this year a High Tea, closed out the week. The High Tea Social was well attended and the food was delicious. The Staff was recognized for their hard work and dedication and given nice blue jackets from the PTO. The fifth graders were also recognized as the graduates & were given a gift from the PTO & their teacher. Overall, it was a delightful afternoon for all. The PTO organized the event well and everybody ate heartily.

Summer School

New Horizon School - Los Angeles is proud to offer two summer sessions this summer. The first session begins on Monday, June 29th, 2009 & lasts 4 weeks. The second summer session begins on Monday, July 27th, 2009 & also lasts 4 weeks. The summer program includes religious studies, academics, & ample fun activities. Space is limited, so register now to reserve your student's place. Please see the office for more information.

Stanford 10 & CTP IV Testing

It is once again time for standardized testing to begin. As always the Kindergartners will be taking the Stanford 10 tests, while the 1st through 5th graders take the CTP IV tests. Standardized tests are one way to measure students' and schools' progress against the progress of all students in public and private schools. Standardized tests are a districts way of monitoring the academic standards of the school within their jurisdiction. As we strive to excel in these tests, please ensure that your students sleep early, are well rested, and receive a nutritious breakfast everyday to do well.

PTO Meeting & Elections

This Friday will be the last PTO Meeting for this school year. During this meeting, Elections will be held for PTO Officers for the 2009-2010 school year. Hope to see everyone there.
