Reminders

Parents, all accounts must be cleared with the office before your student will be allowed to participate in any of the end-of-school year activities. **All accounts have to be cleared NOW!**

Tuition

June tuition is a part of the 10 month yearly tuition and needs to be paid in full, irrespective of the number of days in June. Summer school is offered in two sessions and needs to be paid per session, not per month. The 10th month, June, tuition overlaps with the tuition for Summer Session 1, but they are two different programs and have to be paid separately. The enrollment contract clearly indicates that all 10 month tuition is due regardless of sickness, vacation leave, or number of days in a month. It is our Islamic obligation to pay all tuition on time.

Kindergarten & 5th Grade Graduation & Annual Day

At the end of each year, we all gather together to celebrate the successful completion of another excellent academic year. This event marks a milestone in the lives of our Kindergartners & 5th graders as they begin transitioning into the next phase of their lives. The Kindergartners physically move upstairs next year as they enter 1st grade & our 5th graders leave their 2nd home and head out into the "real" world. As these two classes mark their milestones, the rest of us gather to celebrate with them & for them. Each class celebrates the end of their academic year. Please join us for this celebration as we end this year with a bang. The Graduation & Annual Day will be held this **Friday, June 12th, 2009 at 5:30pm**. There is still much to be done in preparation for this amazing day. We need volunteers to cut fruit and set up, so if you can help, please see the office.

One Notch Up Day

One Notch Up Day is a couple of periods on a given day, when the students get to walk in the shoes of their older counterparts. The students will be introduced to elements of the curriculum they will encounter next year. This year One Notch Up Day will be on Tuesday, June 9th, 2009.

Student Appreciation Day

We've had Staff Appreciation & now comes Student Appreciation. Each year we set aside one afternoon as Student Appreciation Day. This is the time when teachers organize entertainment & food for the kids, so they can have fun. Student Appreciation Day will be on Thursday, June 11th, 2009.

Summer School

New Horizon School - LA is proud to offer two summer sessions this summer beginning on Monday, June 29th, 2009. The summer program includes religious studies, academics, & many fun summer activities. If you haven't registered yet, please register to reserve your student's place.
