Service Hours

Parents please be aware that the parent service hour commitment for the year is due now. I hope you have received your letter about the outstanding hours. Please pay \$10 per hour for the remaining hours, due by June 4, 2010 or contact the office for more service hour opportunities.

Reminders

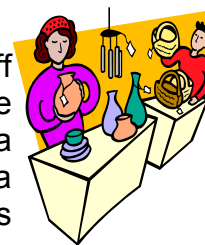

Parents, all accounts must be cleared with the office before your student will be allowed to participate in any of the year end activities. All accounts have to be cleared by Friday, June 4th, 2010 along with the June tuition! Please see the principal if you have any questions.

PTO Meeting & Elections

This Friday will be the last PTO Meeting for this school year. During this meeting, Student of the Month for April & May will be awarded, and elections will be held for PTO Officers for the 2010-2011 school year. Please come prepared to participate.

Staff Appreciation Social

Last Friday, was our annual Staff Appreciation Social hosted by the PTO. The Staff Appreciation High Tea closed out the week. The High Tea Social, turned out to be a dinner, was well attended and the food was delicious. The Staff was recognized for their hard work and dedication and given nice blue windbreakers and IHOP gift cards from the PTO. This year's event was technology-enhanced. The PTO with the help of the students created an incredible, tech-enriched tribute to the teachers, administration, and staff. Overall, it was a delightful evening for all. The PTO organized the event well and everybody ate heartily.

Summer School

New Horizon School - Los Angeles is proud to offer two summer sessions this summer. The first session begins on Monday, June 28th, 2010 & lasts 4 weeks. The second summer session begins on Monday, July 26th, 2010 & also lasts 4 weeks. The summer program includes religious studies, academics, & a plethora of fun activities. Space is limited, so register now to reserve your student's place. Please see the office for more information.

Stanford 10 & CTP IV Testing

It is once again time for standardized testing to begin. As always the Kindergartners will be taking the Stanford 10 tests, while the 1st through 5th graders take the CTP IV tests. Standardized tests are one way to measure students' and schools' progress against the progress of all students in public and private schools. Standardized tests are a way of monitoring the academic standards of the school. As we strive to excel in these tests, please ensure that your students sleep early, are well rested, and receive a nutritious breakfast everyday to do well.

Minimum Day

Monday, June 7, 2010 is a minimum day for faculty work time. The school will be over at 12 noon & there will be no lunch. Please pick-up your children on time.

Library Books

All library books borrowed from the library must be returned this week to enable Mrs. Kay to do the inventory before the end of the school year.
