Spotlight on Excellence Assembly

The annual Spotlight on Excellence Assembly is on Wednesday, June 9th, 2010. During this assembly each student is specially recognized for their hard work throughout the school year. Students are recognized for academics, attendance, and character. We take time to recognize the parents who have volunteered more than their required 30 or 35 service hours. These parents should be applauded for their hard work and dedication to their students' excellence. Everyone is invited to celebrate each students' success. Please join us from 8:00 to 10:00 am as we checkout the Spotlight on Excellence.

Kindergarten & 5th Grade Graduation & Annual Day

At the end of each year, we all gather together to celebrate the successful completion of another excellent academic year. This event marks a milestone in the lives of our Kindergartners & 5th graders as they begin transitioning into the next phase of their lives. The Kindergartners physically move upstairs next year as they enter 1st grade & our 5th graders leave their 2nd home & head out into the "real" world. Each class celebrates the end of their academic year. Please join us for this celebration as we end this year with a bang. The Graduation & Annual Day will be held this **Friday, June 11th, 2010 at 5:30pm**. There is still much to be done in preparation for this amazing day. We need volunteers to cut fruit & set up, so if you can help, please see the office.

One Notch Up Day

One Notch Up Day is a couple of periods on a given day, when the students get to walk in the shoes of their older counterparts. The students will be introduced to elements of the curriculum they will encounter next year. This year One Notch Up Day will be on Thursday, June 10th, 2010.

Student Appreciation Day

We've had Staff Appreciation & now comes Student Appreciation. Each year we set aside one afternoon as Student Appreciation Day. This is the time when teachers organize entertainment & food for the kids, so they can have fun. Student Appreciation Day will be on Thursday, June 10th, 2010.

Summer School

New Horizon School - LA is proud to offer two summer sessions this summer beginning on Monday, June 28th, 2010. The summer program includes religious studies, academics, & a plethora of fun summer activities. If you haven't registered yet, please register to reserve your student's place.

Reminders

Parents, all accounts must be cleared with the office before your student will be allowed to participate in any of the end-of-school year activities. **All accounts have to be cleared NOW!**
