Sports News

Dear Parents, It's hard to believe that we are at the end of the school year. The students have been marvelous in PE and we had a great year. I am very impressed with our students effort and overall development. As we still have another month of classes, I would like to mention some of the things we are going to do.

Grades 2-5 will be doing a unit on softball skills. While the 2nd and 3rd graders will primarily work on throwing, catching and batting skills, the 4th and 5th graders will play modified softball games. The K-2 students will be doing units on throwing, catching and rolling. The Pre-K and Pre-S classes will practice using balls, hoops and jumping. They will also play games that train physical fitness and movement skills.

I am looking forward to seeing you at the coming events at the school.

Rickey Kabins

**Congratulations to Our
Graduating
Classes of 2009**
